### Cal OES SOUTHERN REGION

- Nothing significant to report.

## FIRE ACTIVITY

### Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 1	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

#### Cal OES Fire Missions

- **2019-FIRE-402:** Incident Number: CA-CDF-000127, Request for five 20-person Hand Crew each and all necessary personnel, support, transportation and materials. 65 additional soldiers to be trained and ready to backfill. Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 Crew in each unit with the exception of 2 crews in FKU).

# CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	No 911 Outages

## 9-1-1 Outages/Remote/Community Isolations:

- None reported.

## Service Interruptions:

- None reported.

# **WEATHER OF CONCERN**

## **NORTHERN CALIFORNIA**

- Generally light Sierra showers and isolated afternoon thunderstorms next couple of days as an upper low liners over the Great Basin.
  - Mainly dry elsewhere next couple of days with near normal temperatures.
  - Showers and isolated thunderstorms Friday through Memorial Day as another low drops out of western Canada.

## **SOUTHERN CALIFORNIA**

- Winter Weather Advisory in effect till midnight tonight above 5,500 feet for San Bernardino County Mountains, Riverside County Mountains – including Big Bear City, Big Bear Lake, Running Springs, and Wrightwood.
  - The most significant snowfall is expected through the early evening with isolated thunderstorms also possible.
- A cold, unstable trough of low pressure will bring showers, thunderstorms and high elevation mountain snow through this evening.
  - A few showers will linger into Thursday, followed by dry weather Friday and Saturday.
  - Another storm from the north will bring another round of showers Sunday into Monday.

# **WEATHER KEY POINTS**

**05/22/19 - 05/28/19**

## **Tuesday-Friday**

- Windy conditions continue today, primarily across Southern Region, with gusts 40-55 mph expected
  - Gusty winds could impact travel, especially for larger vehicles. Light, unsecured objects may become airborne.
  - Damage to tree limbs and power lines is possible
- Showery conditions continue across the state through the work week, especially along the higher terrain
  - The debris flow threat on burn scars is very low. Debris flows are not likely.

## **Saturday-Tuesday**

- Another storm system will move into California for the holiday weekend, bringing an increased threat of showers, thunderstorms, and gusty winds, especially Saturday and Sunday
  - Accumulating snow is possible again in the Sierra above 7,500 feet
  - The heaviest precipitation will likely be focused on the northern half of the state, but there is a chance of precipitation for Southern Region as well

# CALIFORNIA WEATHER IMPACTS

05/22/19 - 05/28/19

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

- **2019-LAW-1854, 05/21/19, 1428 hours**, Cal OES Public Safety Communications (PSC) requesting California National Guard (CNG) helicopter to assist and transport two PSC techs and their tools to Leek Springs Communication site. Cal OES PSC attempted to reach this offline and critical site by snow cat but was unable due to deep snow and downed trees from the recent storms. Cal OES PSC's request is for an operational period on 05/22/19 starting at 0800 hours. Law Enforcement Duty Officer (LDO) contacted CNG JOC and relayed the request. **Update:** 05/21/19, 1522 hours, CNG accepted the mission and is coordinating with Cal OES PSC. **Mission On-going**

# Cal OES MISSION TASKING

## Cal OES Missions

- Nothing significant to report.

# *Cal* OES

---

GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
